

5 Challenges that will influence our future

Centre for Public Witness

FISA Conference November 2020
Braam Hanekom

1. Migration and housing SA ... A tale of two cities

...

- In which city do you live?
- Beautiful and a filthy country
- Rich Country (GDP and diversity!)
Poor country – inequality... 😞
- Beautiful safe national parks and ugly dangerous townships (farms)
- Brilliant academics and very ill people
- Very cheap and very expensive.
- In search of new housing models!!!

1. Migration and housing

- USA (Trump) Brexit Europa Rio Mumbai Jakarta...
 - SA: Low intensity war about land and housing...
Koringberg – Du Noon
Cape Town and Sao Paolo
 - **New mindset on housing!**
 - **“New social order and society? vs**
 - A Lawless society?
-

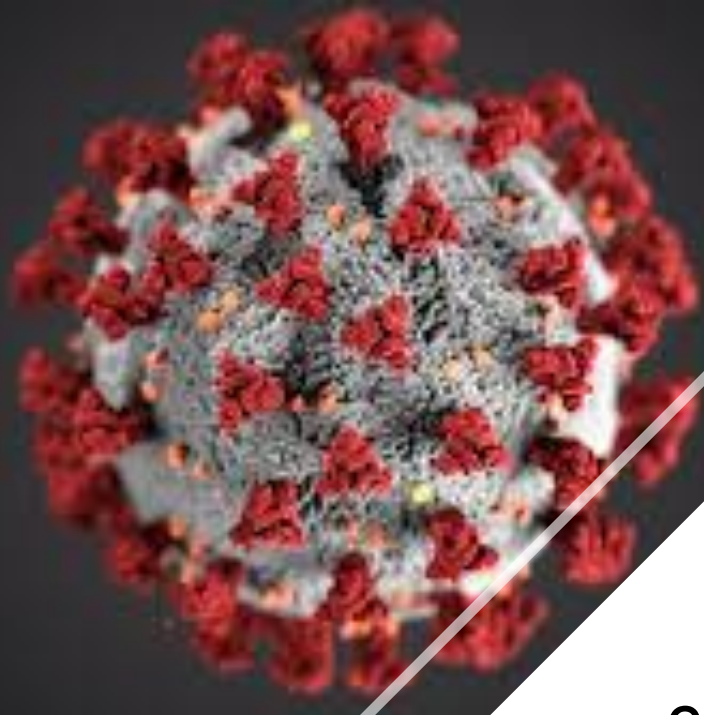

2. Social cohesion and a social compact.

- Why?
- 1994 and beyond...

3. Relevant Skills

- We do not need schools. We need GOOD schools with a focus on life skills and values.
- We need relevant training
- We need partnerships
- We need to keep our skills in SA

4. Climate,
environment, ecology
HEALTH

5. Faith

- Faith and our Future?
- What kind of faith?
- Interfaith or multifaith in SA?
