Dear Dr Nel

Re.: FISA EXHIBITION, OLD LIBRARY MUSEUM, GRAAFF-REINET

Please accept my sincere gratitude, on behalf of the Board of Trustees and management of the Museum, for all your efforts to establish the FISA exhibition at the Old Library.

The Board has observed the progress with great interest and the end result is indeed most gratifying and clearly indicative of the excellent planning and attention to detail which has been invested in the project. The Museum is indeed honoured to accommodate an exhibition of this calibre and to be associated with FISA.

The official opening function and the presence of FISA members in Graaff-Reinet, and at our Museum in particular, has not only introduced many new visitors to our institution, but has also provided excellent national media coverage which will provide invaluable promotional exposure for our Museum. All-in-all the entire venture has been a model of excellent cooperation and teamwork which has made it an absolute pleasure for all concerned. The Museum looks forward to a continued positive relationship with FISA to the mutual benefit of both our organisations.

Kindly also convey our sincere gratitude to the management and members of FISA.

Yours sincerely

PETER WHITLOCK
