Subject: OPENING OF MASTER'S OFFICE IN MIDDELBURG

Afternoon

This confirms that the Office of the Master is now in operation, in Middelburg.
As discussed with Judge President Legodi earlier, kindly notify all the Courts surrounding Middelburg that the Master's Office services are now available here at Middelburg Court. They don't need to travel all the way to Nelspruit.

I have discussed and notified Mr Koekemoer and Mrs Townsend respectively, from the Legal Practice Council. I thus request that all Attorneys and other stakeholders be informed accordingly.

New estate matters below and above the R250 000,00 threshold can now be reported here at the courts. Further the following services will be available:

- New Trust registrations
- Issuing of Letters of Executorships
- Service of Insolvency Notice of Motion
- Issuing of Statement of Affairs Certificates
- Issuing of insolvency certificates for Accounts that lain open for inspection
- Administering Movit and receiving Guardians Fund forms

We will also need posters to notify people of our services here in Middelburg and also, if the posters can be placed at the different Courts.

I trust the above are in order.

Regards

Mrs Martha Maureen Sithole
